# Annual Seminar - 2015

Dear Members,

Our constant endeavor to give the Colour Society family the highest standards of the service related to newer technology and market challenges in the field of Paints and Coatings, in every conference takes our aspirations to newer heights to charter unexplored territory for yet another benchmark event of annual seminar -2015.

This is the wonderful opportunity for all the enterprising entrepreneurs, be it manufacturer, traders, service provider to come under one roof and share their thoughts and experiences thereby further enriching their gamut of knowledge and wisdom.

The palatial and exotic venue would provide a memorable moment for all family and friends to get together and cherish each other's company under the umbrella of grandeur and warmth we provide. Colour Society looks forward to the honour of hosting them at this grand event.

We look forward to welcoming all family members to Annual Seminar -2015.

# Annual Seminar - 2015

## All kinds of support welcome!

The Colour Society was formed 63 years ago to give a voice and platform to the surface coating and allied industry to fulfill the aims and objectives of the Society. We seek your esteemed help and support for all our activities.

On this occasion, The Colour Society will publish the special issue of its journal which will contain relevant informative articles on the coating industry. The Colour Society also invites papers on related topics to be published in the special seminar issue.

## Sponsorship:

Members of the surface coating industry and its well wishers can come forward and promote the activities of this prestigious annual event by way of donations, sponsorships & advertisements. Your participation at the sponsorship level not only ensures the success of the Seminar, it also raises your own image in the eyes of the industry. Do take the lead, enhance your reputation and stay ahead !
